

CrewSight

CrewLane

Secure your construction site with tough, light, dependable turnstiles and simple, intuitive access control software, today.

FEATURES

- ▶ 24/7 security with turnstile access control
- ▶ Portable: move the turnstile as your perimeter changes Plug and play: MAC Lite arrives complete, just add power Secure: reduce theft and unwanted access immediately Flexible: comes in SINGLE or DUAL lane configurations Cost effective: Built light for market leading shipping rates

MAC Lite is a new innovation to simplify construction site security. Coupled with CrewSight software, you can automate access and compliance for all workers, giving you peace of mind that everyone who's on-site, should be.

Couple CrewLane turnstiles with the best construction access

▶ CrewSight Access Control

Need more security? Control access to your jobsite with CrewSight Access Control. This system links to turnstiles which grant or restrict access to your site based on the permissions you set workers. Easily enroll, on-board, badge and grant access to any worker or visitor and ensure no one without a badge can access your site.

We can provide the software, badging, turnstiles and anything else you may require to secure your jobsite.

Make construction compliance simple with CrewSight Access Control
