

# Tekla Constructible Online Training

**Tekla Structures:** Advanced - Custom Component

# Tekla Structures: Advanced - Custom Component

This training course provides experienced Tekla Structures users with the knowledge and the tools needed to progress to the advanced stages of the Tekla Structures program. The training is divided into lessons, each of which focuses on a certain feature of the program related to custom components and provides in-depth instructions geared at helping users master each feature.

Please Note: Depending on what version you have chosen to use and how you have Windows set up, you may see some differences in how the interface appears while going through this training. To download the latest version you can visit the Tekla Download site here: [Download Tekla Structures](#).

## Content:

### Introduction

- Introduction to Tekla Structures Advanced Training
- Help Files
- How to use this training material
- Visual Expectations
- Files you need to complete this course

### Custom Component Fundamentals

- Custom Component

### Create Custom Components - Connections

- Creating Custom Components
- Custom Component Editor
- Exporting and Importing
- Customization
- Working with Custom Connections
- Modular Components
- Connection - Built-up Tee
- Controlling Part Shapes and Locations
- Controlling Part Shapes
- Controlling Chamfers
- Nesting System Components

### Create Custom Components - Details

- Working with Custom Details
- Detail - Penetration
- Detail - Reinforced Column
- Custom Component Editor

### Create Custom Components - Parts

- Working with Custom Parts
- Part - Embed Angle

### Create Custom Components - Seams

- Working with Custom Seams
- Seam - Corner Reinforcement

### Customization

- Customizing CustomComponent Thumbnails
- User-Friendly Dialog Box using the Custom Component Dialog Editor

### Edit an Existing Custom Component

- Edit an Existing Custom Component - Embed Creator

Investment	
Duration:	8 hrs
Price:	\$1,100.00 per person

**3+ PEOPLE  
ONLY \$3,000  
PER CLASS**
